

## Directions From Dalaman Airport to Villa Barinak – Kalkan

### Transfer Time approx 90 minutes

- A Representative from the car hire company eg ENES will be waiting for you outside the departure doors holding a sign with your name on it
  - The Representative will take you to your car and fill in the paperwork- you will need your paper driving licence
  - Be prepared to pay the Representative preferably in Sterling but they will take Turkish Lire. If you want to pay by card, then in the case of ENES, you will need to pay at the office in Kalkan. I always take sterling.
  - Exit Dalaman Airport car park through the barrier where you pay the car park fee (approx 10 T. lire)
  - Go through the security checkpoint (haven't been stopped yet)
  - Carry on down road for about one and a half miles. It is a dual carriageway with petrol stations, should you need to fill up.
  - Take a right at the Suzuki Garage onto the uneven road and then another right onto the main road at the junction. This is the main road to Antalya and Kaş. If you miss the turning at the Suzuki Garage, don't worry, as you can take a right a bit further on which gets you straight onto the main road.
  - You will come to the Goçek tunnel after about 10 minutes. Go through this toll – costs presently 2.5 lire. Try to have the right change.
  - Keep going on this main road and you will hit the outskirts of Fethiye. About 35 minutes out of Dalaman.
  - **WATCH OUT FOR POLICE RADAR TRAPS**
  - **DO NOT GO INTO FETHIYE**
  - Keep on the main road bearing left when you are unsure. Always keep Fethiye on your right.
  - You will have passed the Fethiye Gold Centre by now on your right.
  - When you have passed Fethiye and the many petrol stations, you will come to a road junction with traffic lights. You need to take a right here. It is marked Kaş.
  - Keep on this road all the way to Kalkan – about 40 mins from this point.
  - You will eventually pass the turning for Patara – you are nearly there!!!
  - The Patara turning is on a new piece of dual carriageway. Keep going straight ahead – (worth a visit to Patara beach - 15 kilometres long and it is where the sea turtles lay their eggs).
  - You will then need to bear left and go through Yeşilköy. The road will eventually go straight on to Kalkan.
  - Go through Yeşilköy and up the hill at the other side. The road climbs steeply at this point and has many tight bends – please drive carefully.
  - You will then see the first sign for Kalkan.
  - When you start to descend the hill at the other side, take a look to your right – you are in for a treat, as you will see the wonderful village of Kalkan and its harbour.
  - Keep going down the hill always bearing right.
  - Watch out for the sharp turning right which takes you past the only petrol station in Kalkan on your left.
  - Go down the hill into Kalkan, passing the Yali supermarket on the right.
  - Take a right at the first roundabout on to the Kalamar Road (Breeze Restaurant on corner).
  - You will pass the Asfiya Hotel on your right. Go up the hill and you will pass your local shop on your right. Slow down here as you will take the next right, opposite the Elixir Hotel.
  - Turn right onto the road, up a steep hill.
  - Turn left at the top and our villa is the second on the right.
- HAVE A GOOD JOURNEY & DRIVE CAREFULLY AS THERE ARE MANY TRACTORS ON THE ROADS.
